35 th	Crammond/Langstaff	GB07N87410			

Comment:

This was a very difficult and testing Barcelona race and we are very pleased with the way the team of two year olds performed against many thousands of International pigeons. Ian Crammond and Nigel Lanstaff are to be congratulated on a fine win and their hen is likely to feature in the top 400 in the International result flying against 27,627 birds. We believe that most of those clocked at our Barcelona lofts will also appear in that result when it is published in due course showing that British and Irish pigeons can hold their own against the very best in Europe.

So why not reserve your space for next year by contacting:

John Tyerman on (01243) 670351 / email johntyerman@yahoo.co.uk

-or-

John McGee – email john.mcgee320@orange.fr

As space is limited, please check our Website : <http://www.thebarcelonachallenge.com>
or log on to Elimar Pigeons - <http://www.elimarpigeons.com/>
or Pigeon Portal websites.)

The final Barcelona yearling team race from Limoges (310 miles) resulted in us being 14th open and winning many more prizes in the Nord pas De Calais Federation, flying against some 4400 birds. We recorded over 90% returns with 136 birds being clocked on the Bricon timing system.

Both John Tyerman and John McGee would like to thank everyone for their support in this venture with special thanks to our sponsors :-

**Mr Patrick Muylde of Beyers Feeds
Mr Francis Nolmans of Bricon,
and
Brian and Viv Wall of GEM Products.**
